Dear Sir:

Bulbs received O. K., and believe me, they are **some bulbs**. Wish you would just slip me the secret of growing them so large and fat. I think those first size ——— beat anything I ever saw. Given half a chance, such bulbs will surely throw some wonderful flowers. Thank you for your generous treatment both as to count and size. I certainly appreciate it. With the compliments of the season and best wishes for your continued success.

White Bear Lake, Minn.

Dear Sir:

Your letter and bulbs received today, and was particularly pleased with your letter and the very extra fine bulbs. The average buyer wants large bulbs but, of course, when I ordered young bulbs it was with the thought of keeping up my stock as well as for an increase. I am highly pleased and grateful for you for the consideration given my order.

Please let me have your Price List soon, as I want more bulbs from you and I want to say to you, Mr. Anderson, that your stock is wonderful, and I am highly pleased and have no hesitancy to order large or small amounts for I know it will be as represented. Again thanking you,

I am, Yours Truly,

W. E. K.
